THE SJ-200 Autographed Bob Dylan Collector's Edition

An exact replica of Dylan's personal highly-customized SJ-200, fashioned from hand-selected highly figured Indian rosewood and AAA Sitka spruce. The headstock features Dylan's eye logo inlaid in mother-of-pearl with a Bella Voce inlay in the fret board. The double pick guards are ornately decorated with an inlay of abalone in Dylan's design. Each model features a label signed by Dylan and is numbered in the series on the head block. Only 175 guitars will be made and distributed worldwide.
